Subject: completed work orders

Good morning James,

I have tallied up the following completed Work Orders from the Engineering Department:

2017 to 2024 (present)

Culverts replaced -- 334
Bridge Approach replacement -- 71
Guardrail work -- 56
Catch Basin replacement -- 42
Ditching -- 182 work orders totaling 61,740 feet ditched

Misc. work orders completed include:

Brush removal
Installing Rip/Rap
Repairing washouts/suckholes
Patching bridges, culverts
Curb and gutter work
Removal of graffiti
Ect.

Tommie Humbert will have additions to these totals as well!

Sincerely,

Heather Beard
